

# Design your own Chelsea Garden

Draw your garden design below. Don't forget to write down your garden's theme, the features your garden has, and some of the plants you have included. You can do this project as a group or on your own. Ask your teacher to send a copy of your design back to us for the chance to win a prize.

**Note for teachers:**

Designs should be emailed to [schoolgardening@rhs.org.uk](mailto:schoolgardening@rhs.org.uk) with the subject Chelsea Picnic Garden. Send back by **Friday 30th June** to be in with a chance of winning a prize for the school.
