ARTS & CRAFTS

HOW TO MAKE YOUR OWN ORIGAMI BUTTERFLY

Cut out the four squares and follow the instructions below to create your very own butterflies!

1

Fold the square diagonally

2

Fold it in half

3

Fold it in half again

4

Open the paper out to a square

5

At the same time, bring both brown dots down to the purple dot at the bottom

6

At the same time, bring both brown dots down to the purple dot at the bottom

7

At the same time, bring both brown dots down to the purple dot at the bottom

8

At the same time, bring both brown dots down to the purple dot at the bottom

9

At the same time, bring both brown dots down to the purple dot at the bottom

10

At the same time, bring both brown dots down to the purple dot at the bottom

11

At the same time, bring both brown dots down to the purple dot at the bottom

12

At the same time, bring both brown dots down to the purple dot at the bottom

13

At the same time, bring both brown dots down to the purple dot at the bottom

14

At the same time, bring both brown dots down to the purple dot at the bottom

15

At the same time, bring both brown dots down to the purple dot at the bottom

16

At the same time, bring both brown dots down to the purple dot at the bottom
