

- 1 Cut along the line. Once you have done this decorate your hat.

- 2** Cut out the strips.
- 3** Stick the two short ends of the strips (labeled A and B) together to form one long band. Make sure one set of notches is facing up and one is facing down.
- 4** Add cuts every 1-2cm apart at either end and on either side of the long band. Make sure they are the same distance apart on each side. These will create the notches to slot your chef hat's together.

- 5** Now stick the chef's hat shape on to your band.
- 6** Put the band on your head and slot it into a notch that fits. Once you have done this stick it together so you have a circular band.
Now you are ready to make soup!
